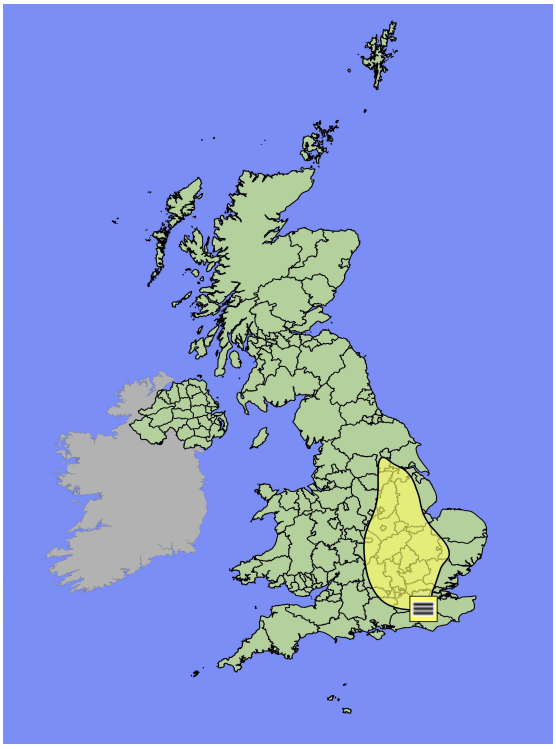
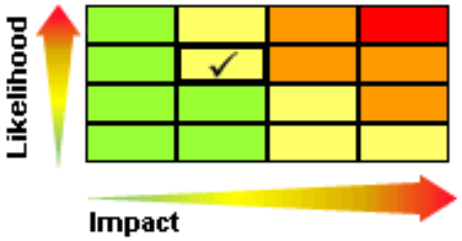
National Severe Weather Warning Service





Chief Forecasters Assessment
Once again, areas of dense fog with visibilities below 100 metres, are likely to become more widespread at times through this evening and overnight.

The Met Office have issued a **Yellow Warning** of **Fog**

Valid from **18:25 on Sun, 20th Nov 2011** until **10:00 on Mon, 21st Nov 2011**

The public should be aware that areas of dense fog are likely to become more extensive across parts of London, southeast and eastern England this evening.

Driving conditions could be difficult in places and the public advised to take extra care.
